

The Bulldog

THE 1957 BULLDOG

PREPARED BY JUNIORS
OF
MILFORD HIGH SCHOOL
MILFORD, TEXAS

DEDICATED TO

Our Parents

We, the class of 1957,
dedicate our yearbook, The
Bulldog, to OUR PARENTS
who have so faithfully sup-
ported and encouraged us.
We realize without their
help, we couldn't have ac-
complished what we have.

We wish to extend to
you in this small way our
sincerest appreciation for
making these years enjoy-
able as well as fruitful.

Our sincere thanks from
the Junior Class of 1957.

SUPERINTENDENT'S MESSAGE

For the second year it is again a great privilege to say thank you to the faculty and students of Milford for a good school year.

It is a commonplace to call your attention to the fact that you are most fortunate in being in these United States, and living in a state that is great enough, to give you the opportunity to receive a free education supported by millions of Texans who are interested enough in the future to provide the best that money can buy for its youth, in the way of educational facilities.

Remember this when there is a temptation to speak lightly of your country, your state, your school. Think of the less fortunate millions, who have no country, no state, no school, and the millions of others who having them have still no liberty or freedom.

Take advantage of your opportunity and make the challenge for life ahead.

Sincerely yours,

L. H. Neal
